Education

University of Notre Dame | Notre Dame, IN
Bachelor in Business Administration | Aug 2023 – May 2027 | GPA: 3.63

- **Major:** Business Analytics | **Minors:** Business Honors Program, Impact Consulting, Liturgical Music Ministry, and Theology
- Presented strategic recommendations to senior representatives from Deloitte, KPMG, West Monroe, DaVita, and 84.51° in five consulting case competitions, each built on independent research and quantitative analysis
- Produced weekly managerial memos and technical R reports for real-world retail pricing analytics cases
- **Relevant Coursework:** Business Problem Solving, Data Management, Predictive Analytics, Machine Learning, Cloud Computing

Experience

Verso Ministries | Notre Dame, IN
Customer Support Intern | Aug 2026 – Present

- Architected an automated pipeline tracking task completion for over 2,100 customers using APIs, Google Apps Script, and Claude Code
- Achieve an 86% satisfaction score providing technical support to non-technical clients navigating trip portal software

Dhiyasoft LLC | Remote
App Developer Intern | Jun 2026 – Aug 2026

- Developed and verified Salesforce application features, resolving software issues through debugging and user story execution
- Maintained client deliverable documentation and reported daily progress to the consulting team across all assigned development tasks

Verso Ministries | Notre Dame, IN
Operations Intern | Aug 2025 – May 2026

- Automated manual documentation workflows using Claude Code, spreadsheet functions, backend JavaScript, and Google Gemini, engineering SOPs that reduced documentation time by 20% across 100+ trip offerings
- Engineered a market entry strategy for Africa by scraping, cleaning, and benchmarking destination management company (DMC) service offerings through an AI screening and human revision process, informing new business partnership decisions
- Synthesized 10 years of multi-source customer data using Python to build a targeted outreach strategy, driving engagement and retention

Confidential Hedge Fund | Bethesda, MD
Research & Analytics Intern | Jul 2025 – Aug 2025

- Developed Python scripts with Claude Code that scrape and process bulk financial data into MongoDB, optimizing the firm's decision-making pipeline
- Synthesized market and industry research into executive-ready findings for senior investment leadership to inform portfolio decisions

Projects

United Airlines Consulting Project

- Diagnosed United's customer satisfaction problem, with on-time performance below 70% at core hubs (ORD, EWR) and each delay costing 16 NPS points per passenger
- Built a fact pack, PESTEL analysis, issue tree, three-phase implementation timeline, and five-line-item P&L model from BTS, FAA, DOT, JD Power, and Bain NPS data
- Recommended ClearPath, an AI-powered app feature for early delay alerts and free rebooking in under one minute, projecting +10 NPS per customer and $608M in savings by Year 3

Leadership & Activities

Baumer Hall, University of Notre Dame | Notre Dame, IN
Music Director | May 2024 – Present

- Lead rehearsals and liturgical music twice a week for a choir of 4–8 college students
- Succeeded the graduating senior director after a year as the choir's pianist (Aug 2023 – May 2024)
